### 100% Recycled Content Dome Lid, Fits Sugarcane Bowls

**Sugarcane Bowls** provide a strong, tough and compostable way to enjoy soup or salad. Use them for hot or cold foods. These highly versatile bowls put the spotlight on your next meal without leaking, soaking, or ruining the planet. Sugarcane Bowls are made from a 100% reclaimed and renewable sugarcane fiber instead of foam or virgin paper. That's something to dig into!

For serving a smaller portion of noodles, look no further. 24 oz. Container Bagasse  
Top Diameter: 7-11/16"  
Bottom Diameter: 3-9/16" Height: 1-7/8"

## Our Industry

Sustainable disposables sound like an oxymoron, but we live in a consumer culture where disposable products are ubiquitous. And they aren't going away any time soon. We see this as an incredible opportunity to help change the world—and more importantly each of the local communities we serve—by making sustainable disposable products that shift an industry.

## The Eco-Products Difference
