Dried Hot Chili Pepper

Ancho Chili Pepper - It is the dried version of the Poblano pepper. Deep red color and a wrinkled skin. They are sweet and smoky with a flavor slightly reminiscent of raisins. Their heat is mild to medium to hot. 92662 1/5#

Guajillo Pepper - This chili is thin, deep red flesh and has a green tea flavor with berry overtones. Its fruits are large and mild in flavor, with only a small amount of heat. 92663 1/5#

Arbol Chile Pepper - Arbol is a small and potent Mexican chili pepper also known as bird's beak chile and rat's tail chile. These chilis are about 5-7 cm long. The peppers start out green and turn a bright red color as they mature. 92665 1/5#

Fresh Hot Chili Pepper

Jalapeno Pepper - This pepper has a heat level that varies from mild to hot depending on cultivation and preparation. Chipotles are smoked, ripe jalapenos. 92654 1/2 bushel

Poblano Pepper - Poblano is a mild chili pepper. The ripened poblano is significantly hotter and more flavorful than less ripe, green poblano. 92658 1/10# **SPECIAL ORDER**
